

RFQ Addendum No. 1

RFQ V-2600

On-Site Bus Inspection Services for Cut Away Buses with Post Award Financial Audits

Date Issued: August 27, 2026

Dear Prospective Offerors:

The purpose of this RFQ Addendum No. 1 is to clarify the requirements associated with Line Item No. 1 on the RFQ Price Quote Sheet located on Page 8 of the Request for Quotation (RFQ), which states: "Create New Bus Inspection Packet for Ford E-450 Cutaway Bus as specified in the RFQ.

Based on the technical bus specifications in the RFQ, the vendor shall create a Bus Inspection Checklist (the "Bus Inspection Packet") he/she will use to inspect each bus. Vendor shall present a draft checklist to NICE Bus at least 30 days in advance of the first bus inspection for consideration and/or for changes/revisions and/or for acceptance/approval.

The responses provided herein are hereby incorporated into this RFQ and shall form part of any resulting contract. Except as specifically modified by this RFQ Addendum No. 1 and/or any other Addenda, all other terms, conditions, and requirements of the original RFQ remain unchanged and in full force and effect.

The RFQ requires that all offerors must appropriately acknowledge this RFQ Addendum No. 1 in their offer submission. Failure to do so may render their quote nonresponsive and therefore disqualified. Any questions related to this RFQ Addendum No. 1 shall be submitted in writing to nicholas.laskowski@transdev.com.
